PIE IN THE SKY WHEN YOU DIE

Once upon a time there was a Big Jew in the sky. He had only one son, whom he called Little Jew. A depression was underway in the sky, and things were pretty doggone tough for Big Jew and Little Jew. They looked enviously down at Earth, and saw that people there seemed to be getting a-long okay.

"Little Jew," said Big Jew, "I kinda hate to ask you to do this, but would you go down there and ask those folks to give us some drippin's so's I can make some corn meal gravy?"

"Sure, Pa," piped Little Jew, and off he went. By sheer luck he landed plop in the m'ddle of Palestine, which may seem like a little place to folks who are interested in geography, but actually this homeland of the Jews was big, Big, BIGG — bigger, probably than even Texas. Away off in a little corner of the world was a tiny state known as the Roman Empire. We know this because it has been written down that way in the Bible.

Little Jew decided that the best way to lick the depression in the sky was a Share-the-Wealth Plan, so he called the Jews around him, and said, "Give all that thou hast to Big Jew in the sky."

The Jews hooted derisively, threw some rotten tomatoes at Little Jew, and went on about their business, which was the money business. It also was their religion, and they had a temple, known as the Stock Exchange, where they met on the Sabbath and sold each other counterfeit money and watered stocks and bonds.

Little Jew didn't like to be made fun of, so he went down there on the Sabbath and kicked over the money-tables. This was going too far. The Jews called some Roman cops over to hold Little Jew while they nailed him to the nearest telephone pole, and off he went, back to Big Jew in the sky.

After he left, business began to slow down, and one of the Jews had an idea. "Say, remember that little KIKE we nailed up a while back?" he asked. "He attracted a lot of attention, and we ought to be able to do something with that publicity. Let's get the Elders of Zion to back us in a new enterprise. We'll call it 'Jewanity,' and name Big Jew as Chairman of the Board and Little Jew as President, but we won't give them any voting stock. We can sell shares to all the dumb gentiles."

Nobody else had any new ideas, so they agreed to give it a whirl. They printed up some beautiful shares and sent Paul and some of their other sharpies traveling around the Roman Empire to sell the

stock. It was just tough luck that the Romans found out the stock was worthless, so the salesmen were fed to the lions.

But the Jews weren't downhearted. "Now we're really in business!" exulted the Chief Rabbi. "Martyrs! Get it?" He nudged the other directors.

"Think they'll go for it, Chief?" one of them asked doubtfully.

Sure enough, they sent out a bunch of new salesmen, Wheeler method, who convinced the gentiles that the first bunch of promoters had given their lives to make sure that everybody on Earth, no matter how poor, would be rich when they went up to join Big Jew and Little Jew in the sky. The Elders even worked out a gorgeous new suburb up there, which they called Heaven.

"Town's moving out that way all the time," said the Chief Rabbi. "We're really giving the gentiles a break."

"Oh, you shouldn't do that," lisped his assistant.

"Sure, we can afford to be generous," said the Chief Rabbi. "The Gentiles give us all their earthly possessions, and in return we give them the deed to a choice lot in heaven."

"Gee, Chief," said his assistant, "You're the most. It's the best pitch I've ever heard. It's real pie in the sky!"

Thanks to this trade-in deal, the Jews soon owned all the real estate on earth. The Jewanity Corporation built huge offices in every town, and these splendid mansions were filled with crowds of emotional gentiles, who chanted,

"Praise Big Jew from whom all blessings flow

Down to us poor suckers here below."

Meanwhile, Big Jew and Little Jew were plenty sore. Not only were they getting nothing out of the deal, but Heaven was becoming filled with discontented gentiles, who complained constantly about the poor postal service, leaky sewers, and other characteristics of a poorly-planned suburb.

"Gosh," said Little Jew, "Maybe I ought to go down there and talk to Our People again?"

"Hell no!" exclaimed Big Jew. "We're in enough trouble now."

OUR AMERICAN DESTINY

It is our American destiny to bring about the unity of the Whiteman's World. The life-or-death threat of an aroused Asiatic world under the domination of Communism affords the challenge which will close the ranks of the Whiteman's World in an earth-shaking battle for survival.

We Whitemen of America can force world-history to take the pathway of our will—and thus carry forward our destiny—only by holding to those values which have elevated us to our present high place in history; chief among these values is the recognition that we must play our role not merely as so-called human beings but as Whitemen, deeply conscious of our American destiny.

The Whitemen of the coon-skin cap and long rifle, and the brave White warriors and womanfolk of the covered wagon days, who conquered and settled this great continent of ours, were but carrying forward a mighty destiny. Our American destiny is, in a very real sense, the entire Whiteman's destiny. It is our bound duty to carry it onward into the future.

In the days ahead, of heavy threats demanding heroic replies, our Whitefolk brothers and sisters of distant lands will look to us for leadership. The Whiteman of Australia, as he bravely stands at the most advanced western frontier of our White World, must know that we are with him. The Whiteman of South Africa, as he fights for survival in the very heart of the black world, must know that his destiny is a part of our destiny.

Our deep consciousness of being Whitemen and Whitewomen is as old and primitive as our hills. Forsake this precious bond and we will perish. With this thought in mind it is obvious that we cannot step from nation-consciousness to world-consciousness overnight. Whatever supra-historical consciousness we are able to create in the future, as a quickening influence in the lives of our American Whitefolk, must be based upon, if it is to survive, our common-denominator consciousness of being Whitemen and Whitewomen.

Geography and space must be pushed aside and the Whiteman must be viewed as a living and breathing biological and spiritual organism, composed as a great Whiteman's Community of individuals in agreement on the basic things, ever-expanding by procreation.

THE INNER ENEMY TODAY

Why does a White man hate his own kind, and why does he wish to destroy his own kind by inter-marriage with non-Whites?

~~The answer lies in our educational system and in our political system, both of which are operated not only for the degradation of the White man, but for the degradation of all races to a sub-human, animalistic level.~~

Our present-day educational system produces people who are stripped of all race-pride and moral courage, and filled with self-hatred and disgust. A twelve year course of carefully planned and executed brainwashing in the public schools destroys inner pride and self-identity. The products of this process enter into public, adult life as racial zombies, able to fulfill a robot role in a factory or office, but unable to exercise or live up to their duties as White men and White women ... to bear the responsibilities of maintaining and furthering Western Civilization.

The most vicious of these robots enter into our political system. They welcome each new act of individual self-degradation as a gadge of honor.

These parliamentary politicians hate Western Civilization, because this means living up to and maintaining the standards ~~above and beyond individual self-interest and greed.~~

When these 'democratic' politicians act to tear down the last vestiges of our great Western Civilization, which has been built at such cost by so many generations of White folk, a few of us are incensed and outraged.

But most people accept as a matter of course the dictates of these politicians; that our Civilization must be destroyed, and that we, as a sort of half-negroids, must sink to a lower form of existence, so represented by the squalid multi-racial nations of Haiti and Brazil. This is called the 'equalization of living standards'.

But there are a small minority of us who are still White men! We are not robots ... we have not been affected by the brainwashing in the public schools ... and we despise our traitor-politicians!

We, a historic few, say to this parliamentary scum ...

WE WILL FIGHT!

We are of the same stock as the legions of Caesar, the Vandals who sacked a degenerate Rome, and the sailors of Sir Francis Drake!

Well we know the role which history has prepared for us.

Although we have been born into a moral and spiritual squalor worse than that of any nation in world history, we arise from this filth to assert ourselves as White men!

Our enemies now are not Indians, disease, or wild beasts ... they are the mass of non-Whites, and by non-Whites we mean all those who think and act as negroids even if they have a white skin.

Nothing can save our Western Civilization except the harshest measures against these non-Whites, by means of propaganda and physical terror.

There can be no mercy for those who have abandoned their own racial identity and traditions through self-corruption and individual greed.

THE WHITE MAN'S REVOLUTION

Little Rock, Arkansas ... Concord

Oxford, Mississippi ... Bunker Hill

Again, the American White man has asserted himself against a foreign dictatorship whose occupation center is Washington, D. C. This foreign control of our United States of America began in 1933 with the anti-White regime of Franklin D. Roosevelt. Using World War II to consolidate its power, this anti-White group disguised by the term 'liberal' has now over-reached itself, by the passage of the so-called 'Civil Rights Bill'. This anti-White organization exhibits two faces to the outside world ... the Democratic and Republican Parties. Commissar Eisenhower of the Republican Party used guns and bayonets against the White folk of Little Rock, and Commissar Kennedy of the Democratic Party used guns and bayonets against the White folk of Oxford. By doing this, the mask of 'liberalism' lies the naked power of Jewish Communism ... determined to destroy the Western Civilization of the White man.

This use of naked power against the White folk of America is an open admission of defeat by the Soviet-style Supreme Court, and the Federal Judiciary, both controlled by anti-White Jews. This exercise of naked power means that the Federal Government no longer represents the White folk of the United States of America. Now, at last, the Federal Government openly admits that it is a foreign occupation dictatorship using armed force to maintain its edicts and directives upon the captive White citizens.

**Communism
and
Race - Mixing
are JEWISH**

THE WHITE MAN'S REVOLUTION IS NOW HERE!

As Samuel Adams did in 1775, this is more than a prelude!

Across America from New York City to Los Angeles, from Minneapolis to New Orleans, Committees of Public Safety are functioning to alert all White citizens. There is no longer need for patience, nor for small, safe talk. The danger is immediate!

The menace within is Jewish Communism with its absolute control of the Federal Judiciary, Justice Department, and the Armed Forces. The menace without is Russian and Chinese Communism with tentacles of subversion in the State Department, the national mediums of the radio, press and TV ... with penetration in depth in many educational systems from the elementary grades to the State Universities.

The 'liberals' of today are the loyalists (traitors) of 1776!

A great danger to us is the use of the Panem Et Circenses (bread and circuses) technique of the 'liberal' propaganda machinery.

Using direct force against us, combined with planned distractions imposed on our White folk, these tyrants hope to blunt the hatred against themselves. The press, radio, and TV unendingly shift emphasis from our internal problems to baseball games, Cuba, East Berlin, Viet Nam, etc.

Our task, as activists of the Committees of Public Safety, is to apply constant and ever-increasing personal pressures against these 'liberals', traitors, and Jews.

Our views must be direct, positive, and leave no doubt of our basic positions.

The stakes are our very lives ... the survival of our White folk!

THOSE WHO ARE NOT WITH US ARE AGAINST US!

RACE NATIONALISM

The biopolitical foundation of the DEMOCRATIC NATIONALIST PARTY is RACE NATIONALISM.

RACE NATIONALISM is the only alternative for Western Civilization to both the slow death through degeneration by Jewish 'democracy', and the quick death at the hands of Asiatic Communism.

The old 'nationalism' was racially indiscriminate, and racially destructive. Economic injustice resulted in class warfare and the spread of Communism. The Jewish Consensus became powerful on both Finance Capitalism and the Communism it bred, for their only concern was the power which either system provided for them. RACE NATIONALISM stands for the corporate social and economic welfare of the Nation. It places the Nation above the class, special-interest group, and the individual in the spirit of 'all for the Nation, and the Nation for all'. It believes in private ownership within a framework of national regulation ... this is social and economic nationalism.

Its racialism is complementary to its social and economic nationalism, by giving unity a foundation of kinship, binding man to man with a blood connection, seeking the preservation and improvement of the racial heritage. It seeks the service of the part in the greater service of the whole.

RACE NATIONALISM has no conflict between the interests of the Nation and the Race. Instead, the interests of the one are to be sought in the interests of the other.

We can look back to a racial unity pre-dating the division and coagulation into nation-states in order to acquire the vision to look forward to a community of brother-states in the future.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY

Patriotic Political Action
of the
DEMOCRATIC NATIONALIST PARTY

This year must be the year of political counter-attack against the insidious forces of diversion and subversion within our midst.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY has been founded to reassert the political functioning of the White folk majority within our United States of America.

Since the turn of the century, our American political scene has been dominated by various factions and self-interested minority pressure groups whose goals have generally not included the promotion of the general welfare and the survival of the Nation.

This has produced an intolerable political situation within, and an impossible foreign posture without, our United States of America.

The fragmentation of our American political life by Trotsky-type politicians of both the Democratic and Republican Parties is directly responsible for the continuing victory of International Communism.

There is only ONE SOLUTION ... rebuild the political organization of the ineffective White folk majority, and concentrate its united will upon the political questions of the day.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY will attack the local Trotsky-type politicians of both the Democratic and Republican Parties.

It will conduct a campaign of propaganda and physical terror against the guilty individuals and their associates.

It will drive these traitors from public office, and reduce them to a position where suicide will be the only salvation for their crimes against their own society, their own people, and their own Civilization.

It will organize public meetings, publish hard-hitting exposes of the minority diverters and subverters in our midst, issue directives to its members and affiliates with reference to specific issues and problems, and will directly sponsor individual candidates for any and all public offices.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY will pre-select the candidates for public offices so that the individual voter-member of the White folk majority will be able to make a positive decision at the polls.

It will aim at the complete control of the status-making machinery within our local society.

The Executive Committee will assign a speaker to appear before your group for detailed exposition of our plans and methods, at no obligation, and in complete confidence.
